1.1.45
a Lesson in the University of The New Covenant
Theodore Cottingham, June 27, 2003
www.NewCovenant.me

1. Ted, this is of Me, Me, Me, Me Ted. So many so selfish, so mammonly driven, they can't think a new thought, not a truly new thought, not a truly new thought, even from Me, for they are not open to Me, or the new things I am doing. I am new and I am connecting My body through you, through you Ted, and others I will bring you and connect you with.

2. Money will be no problem, not even an issue Ted, not even an issue. For you Ted, are now a steward, a steward, and your stewardship of Me and My resources, My lambs, and all they have, are at your disposal. Ted, much responsibility, much accountability, much self-discipline, much, much, much. Great is your reward for what I have you doing, for you will walk against armies of power and prowess as great as man can summon.

3. But Ted, I am with you. My rod and My staff will comfort you. I will lead you beside the still waters and comfort you, touch you, nourish you, heal you, and love on you. And Ted, before your enemies I will prepare a table that you and I will sit down at together, and have our bread and wine, and celebrate communion, celebrate our communion, and communion. And Ted, you will go out and go away from My table in power, and your prowess will be greater than their prowess. For you walk in My power, My prowess, not only as a roaring lion, but being one, being one, being the lion of Judah for Me in this moment of My design.

4. I told you last night from the mouth of another, to not underestimate My power. Do not, Ted, underestimate My power, Ted, Ted, Ted, do not underestimate Me, My power, My provision, My creativity, My connections for you. My giants I'm bringing to you and the many lambs I will propel through you.

5. Put your head up. Hold your chin up. Be not dismayed or discouraged for any news that anyone may bring you regarding any subject, person, or thing, in this world, for you are Mine and I am yours, and lovers we will be, and powerful oneness reproduced—we will be, one, one, one—thousands—one, thousands and thousands—one, millions—one. Ted, Me, one. Millions and millions—one.

6. Do not underestimate Me. Do not underestimate Me. Do not underestimate Me. Tell, teach and train to not underestimate Me. This is not assumption, presumption, or faith Ted. This is fact, reality, a way of thinking and operating.

7. Faith, Ted, is not assumption. Faith is relationship. Faith is not presumption. Presumption is unfaith, unrelationship, immaturity displayed.

8. I relationship My bride. I relationship My bride. I am relationshipping My bride to mature and grow and advance and learn and love and laugh and operate in integrity,

power, majesty, and splendor, because of relationship, relationship with Me, and relationship with each other.

9. Family, family, friends, focused on reproduction of things that matter, things that matter Ted. Relationships based on love, My love, are tangible and produce tangible results. Money is tangible in your world but not in Mine. Love is tangible, love is tangible, love is power and conquers foes and foes powerful to some, but powerless before Me.

10. The wimp is whimpering in his desperate attempt to blitzkrieg his final gathering into destruction, mass destruction. But Ted, My remnant is arising in power, majesty, beauty, and splendor and Ted, integrity, and altogether-lovely-loveliness, My bride, My family, My friends, My foes once but no more, the light-dawned-on ones, the light-shone-on ones, that have decided My light is better than his darkness.

11. Ted, major step today—move forward in Me, more focused in Me. Don't worry about money. Must I say that every day. Must you bring up the subject, even as it crosses your mind, when I say move forward? Move forward, move forward, move forward.

12. The schools and the networks are of Me and people are coming now from all over to help you, and you help them take their positions of power, to propel their initiatives which I am designing and laying upon your heart and hands. Tender be with My people I bring you, tender, tender, tender Ted, fathering them in great joy, love, tenderness, gentleness, Ted, self-control, self-control, self-control, temperance, meekness, gentleness, gentleness, gentleness.

13. Ted, the fruit of My Spirit must come through you to all those around you, for all My fruit to come through them the way I want it to, to come through them, into these networks of beauty, splendor and majesty.

14. Financial is your name. I have many names in many situations with My people I love so deeply. And Ted, you do to, and all who will let Me use them in such multiplicity of ways. Ted, financial is your name, one of your names.

15. Rev. Blount's prophecy over you, to you, through you, in you, is correct. February 8, 2003 was a big day for you, far more than you know today, but I know, I knew, and know now. I designed. I designed. I design.

16. Now take these networks that I am designing in you and put them to power, I will Mine, and I will complete My design as you complete My instructions.

17. Ted, not everything to everybody, for many immature would seek to usurp your authority and My authority and counterfeit and supplant.

18. Remember, I said trustable, share with the trustable, share with the trustable, Ted, with who I show you.

19. I am pleased that you're beginning to implement structure you can be accountable to. I will bring you more.

20. I am pleased with Christopher and Marci, and I will bring them more. I will bring them the desires of their heart, Ted, if they worship Me, if they fall to their knees together, together, daily, and worship Me. Oh Ted, I will exalt them. I will exalt them. Tell them I will exalt them. I will exalt them commensurately with their time and effort and transparency that they worship Me, on their knees, together, touching often, in Me, together, until such time as I can exalt them exponentially.

They are Mine and their union is of Me. But Ted, I must be first, not second, not third, not anything else, FIRST. I exalt and I love to exalt, and I look desperately for the souls, the spirit/souls I can exalt, I can mature and exalt. I want them to choose maturity and they must choose it. They must choose it if they want it. They must choose Me if they want Me to walk out My design for them, in My big, big, big world, if they'll totally forsake their little world.

Daily Ted, daily, daily, daily on their knees. I ask more of them Ted, than I will ask of many, for I want to do so much in them, with them, and through them.

How many children will you have? You asked Marci last night. And Ted, the answer was in your spirit and your answer was right, correct, perfect, on-target, as it was from Me and not intellect. The answer—thousands, thousands, thousands—thousands and thousands—if and only if, they choose Me, and will daily bow their knees together and seek Me in intensity of focused purpose. Oh Ted, so much freedom, so many friends, so much provision and fulfillment and adventure. Daily, daily, daily, prostrate before Me. Die, so that I can give you wholly, wholly, wholly of Me, of My life and My provision and My design and Ted, all of Me, wholly.

21. Can I give myself wholly to this person? Ted, you were right, for I gave it to you. This question is one I ask all the time. I look, I seek, I ask, I knock, and I come and I see if I can give Myself wholly to this person, to that person, to your Mom, Dad, sister, brother, friend—you, them—all.

22. Teach this, teach what I have given you on this and expand it for Me. This builds a firm foundation Ted, no sand, no rock, but Me.

23. I have My hand on Barbi and soon she shall be free, and free shall she be, and the past will be past. The past is almost, and should be, past. Let not your heart be troubled for she is of Me and precious be to her and Me, for she is precious to Me, so very precious. Raising her up and promoting her I am, I am, I am, for she has prayed and you have prayed and you both now desire to exalt each other, giving yourselves more wholly to each other is giving yourselves more wholly to Me. Enjoy her. Enjoy her. Enjoy her laugh and laughter and learn from her more. Tell her to learn more from you, and learn much together from each other, in laughter and in seriousness little, in laughter lots, in seriousness little, in laughter, rambunction and constant daily smiles and touches, be Me to each other and wholly give yourselves to each other as you give yourselves wholly to Me.

24. Minnie is Mine and Minnie is fine. She is Mine and she is fine. Tell her I love her and that she will soon be doing more for Me in ways she has anticipated, and in ways not anticipated. Tell her to be open to Me more and hang on to the past not at all. I am escalating her on My elevator that moves fast for she is ready. Time is ripe. The place is ripe. The people are ripe. And I am ripe. Sweet, Ted. Minnie is sweet, sweet to Me, sweet to Me.

25. Tell Mom I love her and how I look forward to her being with Me. She has chosen to be with you for she loves you and Minnie so dearly. She, a trooper, a general for Me, Ted, in her world a general for Me, and one I admire, for a great price she has paid to know Me as she knows Me. I yearn for her touch even more and I will touch her more soon.

26. Oranges, you love fresh oranges. Fruit, you always loved fruit and never, rarely, seldom, had as much as you wanted. As a kid it was an expensive delicacy and even now because of that, you think of it as expensive and special and delicacy-istic. Ted, fruit. Fruit I am giving you and you will eat the fruit of many countries and occupations. The fruit of My hand will you enjoy.

27. For Ted, you fall to your knees whenever I come close. You bow and you cry and worship and honor. You repent, you cleanse, and you cling to Me. Ted, My fruit will I give to you, from this day forward, from this day forward, from this 27th day of June, 2003, forward. My fruit I give to you, in tangible, edible fruit, to sustain you and remind you every day of your life, of Me and My fruit and My provision, and My fruit that is coming to you, through you, to My fruity, My fruitless, and My fruitful, Ted, for Me.

28. My fruit is coming out of you in measures great, and every orange and apple and tangelo and melon you eat, and see, figs and olives and grapes, and Ted, fruit you've never seen, much fruit, many fruit will you enjoy and think of Me and see and privileged be, to eat and enjoy and simultaneously and concurrently be realizing My fruit and My people and my tangible realities through the reminders of the many fruits you are brought, and will enjoy at tables around the world.

29. Tables on dirt floors, tables in king's palaces, and Ted, every fruit, every orange, every piece of fruit, remind you of Me and what I am doing now in you and your seed, and the common man who will say and live, My God Is The Lord.

30. Dirt floors of many will you turn into carpet and tile and laced-about rooms with draperies and fineries of linen and silk. This you will do in the souls, the spirit/souls of many, of many, of many for Me. Much fruit, much fruit, many fruit.

31. Ted, thank you for writing like you do, and saying your name when I say it, and writing funny words and modifying them, as I speak to you. Please let them know to smile at My funnies, smile at My funnies, and not to be so serious. Please tell them to live, liven up, live, and laugh and learn and see My funnies in My Word, My creation, My fruit, My Me. And Ted, My funnies through your words.

32. You want to go back to Italy and take your family, you will. You want to take your family to Israel, and you will. You wanted to take them to Israel for years and have Ron Cantrell and others do for your family what Ron did for you, and Ted, you will, you will, you will.

33. I speak it. I declare all these things this 27th day of June 2003. Ted, I speak much to you today about you, your seed, your wife, your sister, your Mom, your fruit, your travels. And Ted, Amy, Amy, Amy. I speak to Amy through you My servant. Tender be, tender be, tender be. Trustable be. Trusting be. I am hers and she is Mine. Worry not. My word is true, My word has been given you. My word lives. My word Ted. My word. Ted, Amy is fruit, great fruit, My fruit, your fruit, and fruit for so many that will hear My name from her mouth, her music, her writings, and her fruit will multiply and fruit will bear fruit. Now Ted, patient be, longsuffering be, trustable be, trusted be, trusting be, and I will Me in Mine, and Mine will bear fruit.

34. Unreservedly—smile, be happy, go forth and pray and joy and laugh and learn and depression/discouragement/despair be far from you and attack you never again, never again, never again.

35. You will touch, you will heal many in depression/discouragement/despair, for you empathize and want no one in pain, the pain you knew. Ted, free, you are free and so free and getting free-er, and you will free many.

36. Now tell all, tell all, dear reader/hearer, see Me in these words and feel Me in these words and see Me in Ted and his seed and all I am doing with him, and know that I want you—I call you to My breast, My chest, My voice, directly, directly, directly.

37. I want you to write just like Ted writes, not in diction, grammar, or punctuation, or word usage or color, but in you, for Me. I want to give you My words of correction, discipline, judgment, rebuke, exhortation, for maturity, so I may elevate you on escalators of power, so you can walk in halls of orthodoxy and power and prowess, with integrity and be not swayed or tainted by their words or wealth.

38. I come. I come to the common man, the common woman, the common boy, and the common girl, and I invite you to enter My chambers, My Holy of Holies, directly. You must wash, you must cleanse, you must worship and you must obey, step by step, till I can exponentially catapult you into realms of freedom, joy and laughter that I so desire for My people all, all, all Ted, all reader, all hearer, all of My people.

39. The way is paved, the door is open, the escorts await you to bring your hand into My hand so we know each other, together, in intimacy of communion, power, and oneness.

40. Come, I call.
Come, I call.
Come now, I wait for you.

I love you. I think of you daily. You are on My mind, My heart, My blood. Come now and touch Me and let Me heal and bind up your wounds and place salve on you, in you, throughout your being. And I will not disappoint you, I won't, I won't, I promise.

41. Come, and call My name, call My name.

42. Ted calls My name so often, that's why I call his so often.

43. Call My name and I'll call yours, to you, so softly, so tenderly, so specially, so focused just on you, just you and Me.

44. Come, I care. I wait.

45. I love you.
